Would you like to be a Contagious Adventist? No, not that kind...

Aaah-chooo!! Rather, have you wanted to be able to make friends with non-members of the church and to turn everyday experiences into spiritual conversations that will attract others in winsome and friendly ways and create in them a desire to learn more about the message and mission of Jesus as they study the Bible? This seminar will help you affirm the message and mission of the Seventh-day Adventist Church, formulate and share your personal testimony, recognize and create Contagious Adventist moments, and lead others to a decision. Join us for this 9 session, virtual presentation via Zoom held weekly and facilitated by Pastor Eric starting **Sunday, January 29, 6:30**. Registration is required so that you can have a participant's manual ready the first night. Register right away by emailing Whitney in the Church Office or texting Pastor Eric by January 24th.
